Make your message memorable with our Say It in Silver tiles.

Create messages, anagrams, initials, etc. using our sleek 1-1/8-inch squares of 1 Troy ounce .999 fine silver. Select from all letters of the alphabet and 1 blank.

From ancient times to today, from long-lost treasured currency to dinnerware of royalty to today's fine jewelry and collectibles, silver seduces with richness and distinction. Our silver tiles hand you the opportunity to turn your thoughts into a gift that shines with that same sophistication and value that has endured the ages.

For Christmas, birthdays, anniversaries, Valentine's, or just because...give a gift that will last a lifetime.

Your tiles can be presented in several ways:
