### Armor of God High Relief - Fireman's Prayer

Through ravenous flames and strangling smoke, the Armor of God strengthens fearless firefighters who set out to save all that is precious. With this impeccable challenge coin, keep a token of certitude close by as you confront the inferno.

An extraordinary grade of humanity exists in those that choose to risk their lives every day to save others. They are born of courage, practiced with skill, and brimming with selflessness. But a warrior of flames knows he cannot defeat the blistering plague all on his own. He knows God's armor helps power him through from the scorching tongues that lash out to burn and the pillows of smoke that push down to suffocate. He knows in his armor of faith he can prevail.

The obverse of the coin references Ephesians 6:11-13, the affecting bible verse that relays the Armor of God's power. The verse reads: "Finally, my brethren, be strong in the Lord, and in the power of His might, put on the whole Armor of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

Dedicated to all dauntless firefighters, this inspirational challenge coin is minted in the U.S. from special deep relief in solid bronze and hand-finished with an antique patina for exceptional quality and detail. The obverse depicts a warrior donning traditional armor: shield, helmet, breastplate, and loins. The words "PUT ON THE WHOLE ARMOR OF GOD" encircle the intricate design. The reverse displays the fireman's prayer in an esthetic font.

The fireman's prayer ballasts conviction and courage, empowering the firefighter to forge through hellfire to save and protect. It gives him strength to fulfill his calling as he puts his life at stake.
